REVIEW OF THE WORKING OF VILLAGE AUTHORITIES CONSTITUTED UNDER THE ASSAM RURAL SELF-GOVERNMENT ACT, 1926, FOR THE YEAR 1937-38

The number of Village Authorities dealt with in this review is 113 against 105 in 1936-37. The increase is due to the fact that 6 Village Authorities constituted during the previous year along with 2 other new Village Authorities in the Dibrugarh subdivision started functioning during the year. Six out of the 8 Village Authorities constituted during the year, *viz.*, 1 in the Tezpur subdivision, 4 in the Mangaldai subdivision and 1 in the North Lakhimpur subdivision, did not start functioning before the year closed.

The total income of the authorities fell from Rs.24,256-4-11 in the preceding year to Rs.13,385-6-7. Contribution from Government fell from Rs 12,867-10-9 to Rs. 6,370-1-0, while those from Local Bodies increased from Rs.3,260-15-0 to Rs.3,569-9-0 and other receipts fell from Rs.4,625-6-11 to Rs.3,357-12-7.

The total disbursement during the year came to Rs.14,021-14-4 against Rs.24,093-4-11 in the preceding year, leaving a closing balance of Rs.4,479-11-7 against Rs.5,044-8-9. Many inaccuracies had still to be rectified in the accounts kept by the different Village Authorities, though much improvement has been noticed.

Most of the Village Authorities utilised the special grants from Central Government for rural uplift supplemented by village labour in improving village communications and rural water-supply.

The works done by the Village Authorities in the Sibsagar district with Central Government's grant were regularly inspected by the Sub-Deputy Collectors concerned.

S. GOHAIN,
Deputy Secretary to the Government of Assam,
Education and Local Self-Government Departments.
